ATTENTION: This accessory product is manufactured with quality materials. It is designed to fit **ShelterLogic®**, LLC canopies. **ShelterLogic®**, LLC. Please anchor this **ShelterLogic®**, LLC structure properly. Proper anchoring and maintenance is the responsibility of the consumer. Please read and understand the installation detail, warnings and cautions prior to beginning installation. If you have any questions call the customer service number listed below. Please refer to the warranty card inside this package.

CAUTION: Choose the location of your canopy carefully. **DANGER: Keep canopy away from electrical wires.** Check for overhead utility lines, tree branches or other structures. Check for underground pipes or wires before you dig. DO NOT install near roof lines or other structures that could shed water, debris or excessive run off onto your shelter. DO NOT hang objects from the canopy roof.

WARNING: Risk of fire. DO NOT smoke or use open flame devices (including grills, fire pits, deep fryers, smokers or lanterns) in or around your canopy. DO NOT store flammable liquids (gasoline, kerosene, propane, etc.) in or around your canopy. Do not expose top or sides of the canopy to open fire or other flame source.

ANCHORING: PROPER ANCHORING OF THE FRAME IS THE RESPONSIBILITY OF THE CONSUMER. **ShelterLogic®**, LLC is not responsible for damage to your canopy or the contents from acts of nature. Any canopy that is not anchored securely has the potential to fly away causing damage, and is not covered under the warranty. Periodically check the anchors to ensure stability of canopy. **ShelterLogic®**, LLC cannot be responsible for any canopy that blows away. **NOTE:** *Your canopy's cover can be quickly removed and stored prior to severe weather conditions.* If strong winds or severe weather is forecast in your area, we recommend removal of cover.
